Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,395 for July. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,308 for September. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

[1] Averages are not representative in some counties, as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment not to be used to compute DHR financial obligation.

[2] Includes 1 State FCMP cases.

[3] In addition, there were 25 children in foster care for whom neither board payment nor specialized service fee was made.

In some instances the average board payment may exceed the maximum because certian children are eligible for nursing care or special care.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes in boarding homes for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment not to be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 420 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,309 for October. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,305 for November. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $168.00; children 3-5 years, the maximum is $178.00; children 6-12 years, the maximum is $188.00; and children 13-18 years, the maximum is $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties, as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment not to be used to compute DHR financial obligation.

2/ Includes 1 State FCMP cases.

3/ In addition, there were 17 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,119 for the month of November. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $168.00; children 3-5 years, the maximum is $178.00; children 6-12 years, the maximum is $188.00; and children 13-18 years, the maximum is $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certian children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,291 for December. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $168.00; children 3-5 years, the maximum is $178.00; children 6-12 years, the maximum is $188.00; and children 13-~~18 years~~, the maximum is $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,282 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 4 State FCMP case.

3/ In addition, there were 30 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Aid to Children in Foster care program provided through County Departments of Human Resources numbered 2,176 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00. The average board payment per month may be less than the maximum because some of the childrn included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,289 for the month of March. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 5 State FCMP cases.

3/ In addition, there were 30 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 411 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $168.00; 3-5 years, $178.00; 6-12 years, $188.00; and 13-18 years, $198.00.
